

Caro Babbo Natale,
io vorrei che ci fosse
la pace in Europa e
per questo ti chiedo
di dare un lavoro a
chi non ce l'ha, di
dare da mangiare
ai poveri ed
accogliere quelli che
sono soli dando loro
il calore di una
famiglia. Tutto
questo lo voglio
chiedere insieme ai
bambini francesi,
spagnoli e austriaci
che, come me, ti
stanno scrivendo.
Ti ringrazio per
quanto farai e ti
mando tanti saluti.

Dear Santa Claus,
I would like to see
peace in Europe
and for this I ask
you to find a job to
whom has not yet
found one, to give
food to poor people
and to give the
warmness of a
family to everyone
that is still alone. I
want to ask all
these things
together with the
children from
France, Spain and
Austria that are
writing to you like
I'm doing. Thank
you for everything
that you will do.
Many greetings.

Ich wünsche mir,
dass arme Leute in
Europa weniger
Steuern zahlen
müssen;
dass es mehr junge
Leute in der Politik
gibt;
dass die jungen
Leute in Paris
Arbeit kriegen,
damit sie keine
Anschläge mehr
machen;
dass in Europa
lange
Tiertransporte
verboten werden;
und es in Spanien
keine Stierkämpfe
mehr geben darf.

My Christmas
wishes are:
that poor people
must pay less taxes
in Europe;
that there are more
young people in
politics;
that young people
get work in Paris,
so that they make
no more attacks;
that long animal
transports are
forbidden in
Europe,
and that there are
no more bullfights
in Spain.

entre les peuples
européens
Vivre en paix
(pas d'attentat,

Que pare el
maltrato a las
mujeres.
Nosotros queremos
que se publiquen
leyes para acabar
con la pobreza.
Que se cumplan
los acuerdos para
evitar la
contaminación.
Que todo el mundo
pueda tener un

We say NO to
wars,

racism.
Stop women
maltreatment.
We want new laws
to finish with
poverty.
To reach
agreements to stop

Are they too many?
You can choose some.
